

Resource Center for the Blind

"Rehabilitation & Training for the Blind"

PARTNERSHIP BROCHURE

Partner With Us

Empowering the Visually Impaired. Transforming Lives.

About RCB

Who We Are

The Resource Center for the Blind (RCB) is a nonprofit dedicated to ensuring inclusive education, digital literacy, life skills, and employment pathways for individuals with visual impairments in Nigeria. Our programs foster independence, dignity, and opportunity.

Our Mission

Educate, inspire, and empower the visually impaired to lead independent lives.

Our Vision

To be Nigeria's leading voice, equipping the visually impaired with resources and training for independent, productive lives.

Why Partner With Us?

Partnering with RCB means investing in a future where:

- Children and youth with blindness receive quality education.
- Adults acquire life-changing digital and vocational skills.
- Assistive technologies bridge the gap to independence.
- Communities embrace inclusion, diversity, and accessibility.

Your support helps us:

- Expand our inclusive education programs
- Provide screen readers and braille tools
- Train more teachers, caregivers, and families
- Fund mobility aids and digital skills training
- Advocate for disability rights and accessible systems

Partnership Opportunities

RCB offers various ways for individuals, businesses, NGOs, and institutions to get involved:

1. Corporate Sponsorship

- Sponsor a program or event (e.g., Eye Screening, Graduation, Assistive Tech Drive)
- Get recognition across our platforms

2. Skill-Based Volunteering

- Offer training in tech, business, wellness, or advocacy
- Support our team with your professional skills

3. Philanthropic Giving

- One-time or recurring donations
- Equipment or infrastructure support
- Endowment funds for long-term impact

4. Event & Campaign Partnerships

- Join our annual donor dinners, fundraisers, and awareness walks
- Co-brand events for visibility and community goodwill

Our Impact

- 200+ individuals trained in assistive technology and vocational skills
- Over 120 white canes distributed through donor support
- 3 inclusive education centers operational in underserved communities
- 50+ corporate and community volunteers engaged annually
- 1,000+ community members reached through outreach and sensitization

“RCB helped me learn how to use a computer with my screen reader. Now, I am confidently studying Mathematics at the University of Lagos.”

— Faruq, RCB Beneficiary

Let's Build a More Inclusive World Together
